THREADS embodies subtle and understated bespoke luxury. The detail and construction of these exquisite fabrics ranging from the relaxed to the tailored and from glamorous to robust demonstrates their matchless craftsmanship and quality.

Emphatically couture THREADS displays a supreme span of textural levels cascading down from diaphanous sheers to soft sensual velvets and thickly woven wools. This is a brand dedicated to the authoritative connoisseur who appreciates the perfection of the finest textiles reflecting timelessness and modernity.

‘SOME PEOPLE WEAVE BURLAP INTO THE FABRIC OF OUR LIVES AND SOME WEAVE GOLD THREAD. BOTH CONTRIBUTE TO MAKE THE WHOLE PICTURE BEAUTIFUL AND UNIQUE.’

ANON
