### FESTIVAL COLLECTION

Renowned for its exciting and adventurous approach to decoration, the 'Festival' collection is an exuberant celebration of the Mulberry Home philosophy.

Created to inspire, there are three distinctive looks: 'Festival' is full of fabulous decorative designs embracing painterly prints on velvet and linen, as well as dazzlingly colourful embroideries and appliqués. 'Mulberry Stripes' is an all-encompassing range of stylish woven and printed stripes and 'Mulberry Wools II', with its understated plaids and plains makes a beautiful addition to the Mulberry wool library.
