Lilly Pulitzer®

Beach bash ready, Lilly Pulitzer II is a lively follow-up to the successful first collection with the iconic resort fashion brand. Bright, vibrant prints in signature Lilly hues and wonderfully textured weaves in complementary colors create an all-around bohemian spirited collection that's oh-so Lilly.

Explore sun-drenched happiness through bright, colorful wallpaper brimming with iconic Lilly style. Palm Beach-chic motifs inspired by hand-drawn artwork and a Chinoiserie-style design make a splash in pops of pool blue, clementine, hot pink and palm green colorways.

"BEING HAPPY NEVER GOES OUT OF STYLE."
