FOR KRAVET COLLECTIONS

Designer Barclay Butera is best known for design projects that are quintessentially all-American with a West Coast twist. Inspired by his latest book, ***Barclay Butera: Getaways and Retreats***, Butera has created a new collection of fabrics that combines two signature “getaway” looks: Retreat and Bungalow. Butera’s high-style prints for Retreat feature a washed, easy palette of soft, calm neutrals; perfect for creating a relaxing calming environment. Bungalow offers a whimsical-chic mix of explosive colors, ultra-modern fresh and fun. The prints, weaves, linens and solids all reflect Butera’s casual elegant style; aspirational yet attainable and always thoroughly inviting.
