CARNIVAL COLLECTION

A fabulous mix of botanical and ethnic prints, zingy embroideries and superb cut velvets, 'Carnival' can provide either hot and vibrant or cool, contemporary interiors.

Five beautiful prints include a stunning pictorial encapsulating the tropical vibes of Latin America as well as an appealing ikat motif and small scale geometrics.

Punchy embroideries include a lively patchwork composed of bright geometric patterns, a superb large scale fantasy floral, a very pretty ikat and a wonderful design full of bold splashes of colour.

Seven superb velvets in glorious brights and tranquil neutrals, range from a stylish broken flame stitch, to an extremely versatile stripe and perfectly scaled spots.

Three new 'Notebooks' have also been added to this successful collection of over 250 plain and textured fabrics, ranging from an opulent velvet, an elegant tweed and soft marled chenille, to a very practical cotton mix .

These stylish fabrics, multi-purpose and washable, work in harmony with all collections and are ideal for both domestic and contract use.

Four smart trimmings are a terrific addition, making this informal and accessible collection ideal for spirited modern living.
