# TEXTURES

Capturing the mood for stylish simplicity, this new generation of luxurious, tactile weaves ranges from 'Essential Colours', our extensive collection of sumptuous chenilles, smart herringbones and small scale geometrics, to the opulence of 'Vintage Velvet', the artisanal quality of the beautiful 'Vintage Linen' and the appealing mix of scale and texture of 'Vintage Textures'. The palette sweeps from the exciting new colours of ochre, coral, peacock and soft blush pink to the charm of traditional heritage shades.
