ONE HUNDRED YEARS OF
INSPIRING
DESIGN

ONE FAMILY. ONE PASSION. ONE CENTURY.

100 years ago, an entrepreneurial immigrant from Russia, Samuel Kravet, opened his first trimmings store in New York and a few years later started selling fabrics exclusively to the interior design trade.

Kravet has since grown to become a global leader looking after clients in more than 100 countries while remaining true to its founding principles: quality, innovation and outstanding customer service.

Celebrating its centennial in 2018 with the new 'Modern Tailor' collection Kravet honours its history as well as looking to a bright future.
