'Modern Country' is an enticing mix of gorgeous garden florals, fabulous printed velvets, cool modern embroideries and heavily textured stripes.

Full blown blooms and delicate meadow flowers bring a sense of the glorious English countryside to this richly varied collection.

In contrast to these fantastic florals are modern multi coloured ikats and contemporary interpretations of the classic paisley motif.

Distinctive embroideries range from lively geometrics to the most magnificent crewel work and capturing the current trend for indulgent opulence are five superb printed velvets - both graphic and painterly.

Versatile, decorative weaves complete a collection ideal for all moods and seasons, its contrasting but harmonious designs, colours and textures combining to produce original exciting interiors for both town and country.
