ICONS FABRIC | AT A GLANCE

'Icons Fabric', the latest collection of distinctive fabrics from Mulberry Home, launches as part of the brand's 30th anniversary celebrations and has been designed to coordinate beautifully with the recently launched 'Icons Wallpaper' range. Suited to both town and country, much-loved designs on linen and rich velvet have been creatively re-imagined in stunning new colours, alongside two timeless weaves with a spirit of individuality. Celebrating a quintessentially British aesthetic, these elegant fabrics coordinate perfectly with the 'Wools IV', 'Mulberry Home Velvet' and 'Stripes II' collections, for stylish schemes with warmth and personality.
