ORIGINALS BRANTWOOD

GP & J Baker is delighted to introduce the Originals Brantwood fabric and wallpaper collections.

Several of the designs have been in production as fabrics for over 100 years and their production as accompanying wallcoverings adds another layer to their considerable charm. Taken from many unique historical documents in the renowned GP & J Baker archive, Brantwood celebrates the famous Arts and Crafts designers through the use of timeless, printed motifs and distinguished stitch work creatively coloured in an enticing palette, ranging from delicate coral and chalky blush pinks to hyacinth blues and vibrant botanical greens. Designed to co-ordinate seamlessly with GP & J Baker's 'House' collections of weaves, velvets, linens and small prints, this stylish collection offers endless opportunities to create beautiful rooms.
